

## Hieftje Group Members Recipient of the 2013 ASMS Ron Hites Award

The Ron Hites Award recognizes an outstanding presentation of original research. Selection is based on a paper's innovative aspects, technical quality, likely stimulation of future research, likely impact on future applications, and quality of presentation. The award is named in honor of Professor Ron Hites of Indiana University, who led the creation of JASMS in 1988 while president of ASMS.
